

Task #2

Find two any defects observing <https://parabank.parasoft.com/parabank/index.htm>

(or come up with two enhancements)

Write appropriate bug reports to cover found defects (created enhancements). Use any suitable templates for bug reports

Deadline is 2026.04.12

Dear students, you can attach your text file with written test cases directly in the opened assignment body or put your file into your GIT repository and provide the reference to it.
